Thursday	English spelling Quiz

Kindly note that Grade 6 will be having summative weeklies by subject scheduled at the beginning of every month.

A detailed monthly schedule for Grade 6 will be posted on the school portal at the beginning of every month as of October 2018.

For PE, Arts, Music, and Computer Science there will one assigned week per month for students to be assessed (each class according to its timetable). The week will be announced at the beginning of every month.

Material covered, test dates, and resources needed (books pages, copybooks, study guide...) will be shared with the students and the parents a week before every weekly to allow students and parents prepare for the test or quiz (in the newsletter, and the students' diaries).

All quizzes and tests must be signed by the parents and returned to the facilitators to be kept in the students' portfolios/assessment files.
